The playing field, Squires Lane
Saturday 11th July 7pm till late
'Village' games evening and buffet.
Sunday 12th July 5pm
Cream tea & entertainment

Don't miss the preparations – they are half the fun and the best way to get to know your fellow villagers.

We need help with

Food Games Entertainment	Helpers meeting 2nd June. 7.30pm Ring Janet for details
Grass cutting	David Ling has offered to do this
Marquees	Let Janet or Steve know

Coordinator - Janet Smyth(Poppy Fields)
phone 823413

AGM
Celebration of
Kings Clipstone
Sunday 12th July
the playing field.
4.55pm

The Village Action Plan

This is a necessary element of the campaign for our own parish council. It sets out what needs doing and how a Kings Clipstone Village Council could help improve our community. A draft consultation version has been posted on the Village

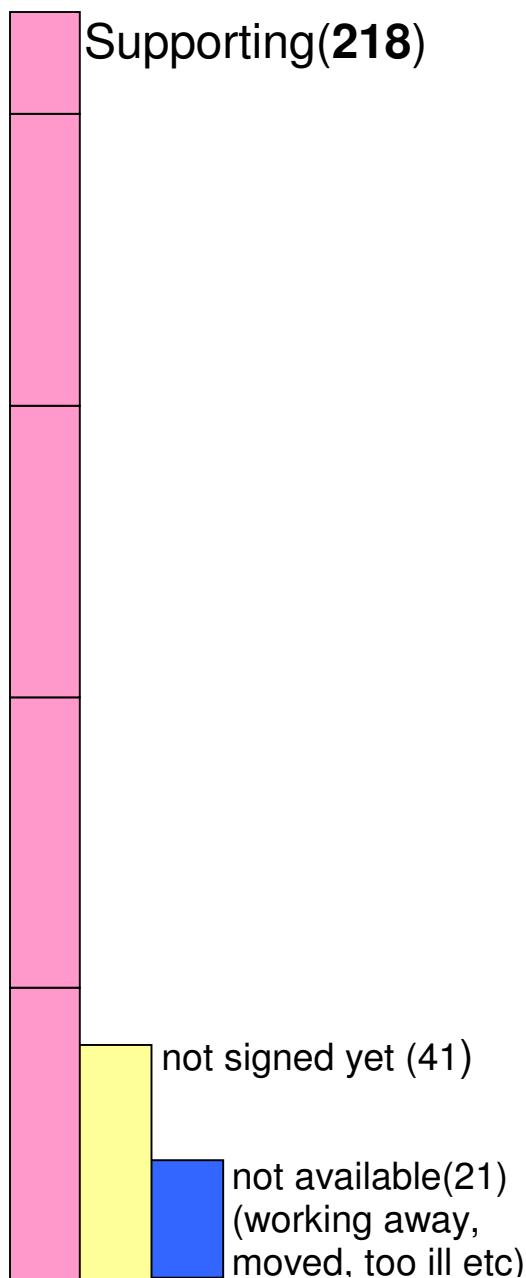

section at www.HeartofAncientSherwood.co.uk

Contact Steve if you want a paper copy.

Have a look and let us know what you think but

please remember that its contents are just suggestions at this stage.

Massive response to the petition

84%

of available electors have signed the petition for our own parish council.

Having our own **democratically elected** Parish Council, which would have the powers to help look after the physical fabric of our community and act as a focus for the community, has really struck a chord with villagers.

We have had a lot of enthusiastic support so can I appeal to those who have not yet signed, on behalf of the 218 residents who have, to support us by signing and returning the petition?

Steering Group Chairman

More voters than we thought

Whoops – we lost a few. The village is bigger than we thought, not 261 but 278 voters, and we still haven't got our own parish.

Eakring and Halam are now just above our village in size. Both are vibrant villages with good community spirit, social events, a village website.

They also have Village Action Plans. **So do we.**

But they have a parish council who are able to implement theirs for the benefit of their communities.
